TO: Descendants of Solomon Iler, II/William Wright (and others)

FROM: Bob Iler, 9728 S. Sangamon Street, Chicago 43, Illinois

Enclosed you will find a copy of the notes that were given out at the reunion July 28, 1963, at Twin Gables, Harrow, Ontario. Since you were not present, I am forwarding the extra copies to all the descendants and any others who were interested in the reunion. We missed you and wished you could have been there. The weather was perfect too. The potluck dinner was held on the front lawn of "Winnie" Iler's home and the program on the front porch. (Copy of program enclosed also)

A beautiful bouquet of gladiolas and mums were sent to "Winnie" and Annie from the Harrow Baptist Church. Corsages of 2 small orchids each were presented to them.

We just wanted to share this with you for we did have a good time of getting reacquainted with other relatives.

I would appreciate your keeping me up-to-date on your family. If I do not have yours complete, would you please drop me a line and let me know? Thanks so much.

A Very Brief History of the Ilers

In 1729, on the ship Allen, 129 Palatinates sailed from Rotterdam, Holland, and landed in Philadelphia, Pennsylvania. Conrad Eyler and family as well as Culps, Sniders and other families, were aboard.

The family had its origin in medieval times in Basel, Switzerland, and spelled the name Euler. They migrated down the Rhine into the Palatinate and the German spelling became Eiler. In 1790, several families from Plum Creek, a stream in Hanover, Pa., migrated to Grosse Isle (Detroit),Colchester Township, Upper Ontario, among them Valentine Eiler and his wife, Susannah Snider. Their son Jacob, about 20 years old, married Elizabeth Snider before going to Canada. Jacob had some trouble in getting across the border as trouble with Great Britain was brewing, but with the help of a man name Chittendon of Amherstburg, he got his chattels and goods across the lake at night and was safe from molestation. In 1808 Jacob Iler settled on Lot 37 in Colchester South.

Eiler means "in a hurry" in the German language and Euler means "maker of pottery".

The land which was purchased by Jacob Iler is called the Iler Settlement. At this present day Iler Road, Iler Settlement Cemetery and Iler Beach are landmarks of the early settlers.

Solomon Iler, II, was a devout Christian and was a very active member of Second Regular Baptist Church. He was a deacon, and church clerk and a member for fifty-eight years.

William Wright was known as a kindly gentleman, a devout Christian and was very active in the same church as Solomon Iler. At the age of ten, William injured his leg while playing with some boys in a brick yard. At eighteen he had his leg amputated.

This year's reunion is in honor of "Winnie" Iler's ninetieth birthday and the eighty-fifth birthday of her sister, Annie Laramie. "Winnie" is the only living connection (by marriage) of the Solomon Iler/Elizabeth Malott family. Her husband, Edgar, passed away in Feburary of 1947. The last of the direct descendants of this family was Lennore Hannah Reed Totten who passed away in 1959.

"Winnie" Iler's birthplace was a home (which no longer stands) across from the present home of Gordon Fox, on the corner where her father had his harness shop.

The beginning of the Iler Reunions dates back to 1944 when Mrs. Philemon Ulch (Edna Iler, 1891-1959) planned a birthday celebration for Bruce. Since then the reunions have been held fairly regularly. However, this year an all-out effort has been made to contact all of the families, which would number nearly 300, of the Solomon Iler/ William Wright descendants.

"Winnie" Iler has lived in the present homestead since 1932 (center section built for a harness shop by her father) after the death of her father. The years previous she and her husband lived in Detroit, and in Florida during the winters. With the help of her son, Bruce, the farm has been turned into a summer resort (TWIN GABLES by name) for vacationers,with cabins, house trailers, and camping areas, as well as bathing beach on the shores of Lake Erie. "Winnie" was organist at the church in 1887.

"Winnie" today still weaves rugs on the old loom that her grandmother, Mrs. Leonard Scratch (Sophia Agla, 1813-1884) used over one hundred years ago.

A family book has been compiled by her grandson which is kept up to date with the Solomon Iler, II, family. If you have any info rmation that you can add to the book, dates, or interesting facts, it would be appreciated, whether it is this branch or not.
